Dear HKS Distributors and Dealers

Price Revision of Locker Arm Set for SR20DE(T)

Thank you for your continued support.

We regret to inform you that we have to ask for price hike regarding Locker Arm Set for SR20DE(T). Due to the rising cost of the raw materials, it has become impossible for us to absorb this cost by cost reduction activity. In such circumstances, we have been working to reduce cost for manufacturing process but at this rate, it become difficult to absorb this price increase.

Products Subjected to Price Revision:

Product:	Locker Arm Set for SR20DE(T)
Part Number:	22999-AN003
Revised Retail Price:	¥160,000

The revised prices will be effective from December 3, 2018.

We appreciate your understanding in this issue.

Sincerely,

HKS Co., Ltd.

Overseas Sales Department
